**From the Swanley end of the B2173 drive down the old High Street (towards the M25) and the road will bend right then left. Immediately to your left you will see the M25 Interchange road sign and directly after that is the left hand turn into Safestore. If coming off of the M25 or from Farningham end just go round the roundabout and take the Swanley turnoff. You will then move into the right hand lane in order to turn right into Safestor. It is about 100 metres down the road.**
